Undoubtedly, IASTOPPER is the Best online IAS Institute.

It's an education-technology startup - in the field of online learning.

we believe that the success of our institute is the reflection of our student's performances in the CSE. For that we provide a complete guidance to the students to gain knowledge of the subjects in a manner to secure maximum marks. We do not emphasise on rote learning instead help our students to apply their knowledge practically. We teach how to apply knowledge on real life issues and make our students the best problem solver.

OUR FACULTY: "A teacher is a candle that burns itself to enlighten the life of student".

We have distinguished faculty members who hail from reputed Coaching institutes, Universities, colleges and other eminent fields. The faculty includes professors, researchers, fellows, retired officers and many other dynamic individuals with illustrious achievements. The vast experience, in depth knowledge of the content and grasp on the UPSC parameters combined with the ability to customize the teaching methodology as per individual's needs, makes our faculty the most sought after in the field. Periodic workshops and seminars are organized to keep faculty members apprised of recent developments.

OUR MISSION: To nurture and channelise the present talent in the direction of building strong and enterprising bureaucrats for the betterment of nation.
