

# Optional answer writing program

The never ending questions, like best optional for IAS, scoring optional, highest success ratio, etc keep on troubling most of the civil services aspirants. As in the changed scheme of IAS exam, the number of optional subjects to be selected is reduced to one, hence the weightage of the optional paper is only 500 marks out of 2025, Yet it is a deciding factor in the final ranks due to the unpredictability associated with General Studies Papers. Selecting the optional subject for the UPSC civil services exam is a personal choice. Every individual has its unique strengths and weaknesses; and especially when it comes to clear the UPSC exam.
